EMS and Logistic Report

Division Chief of EMS/Logistics Frank Ehrmantraut

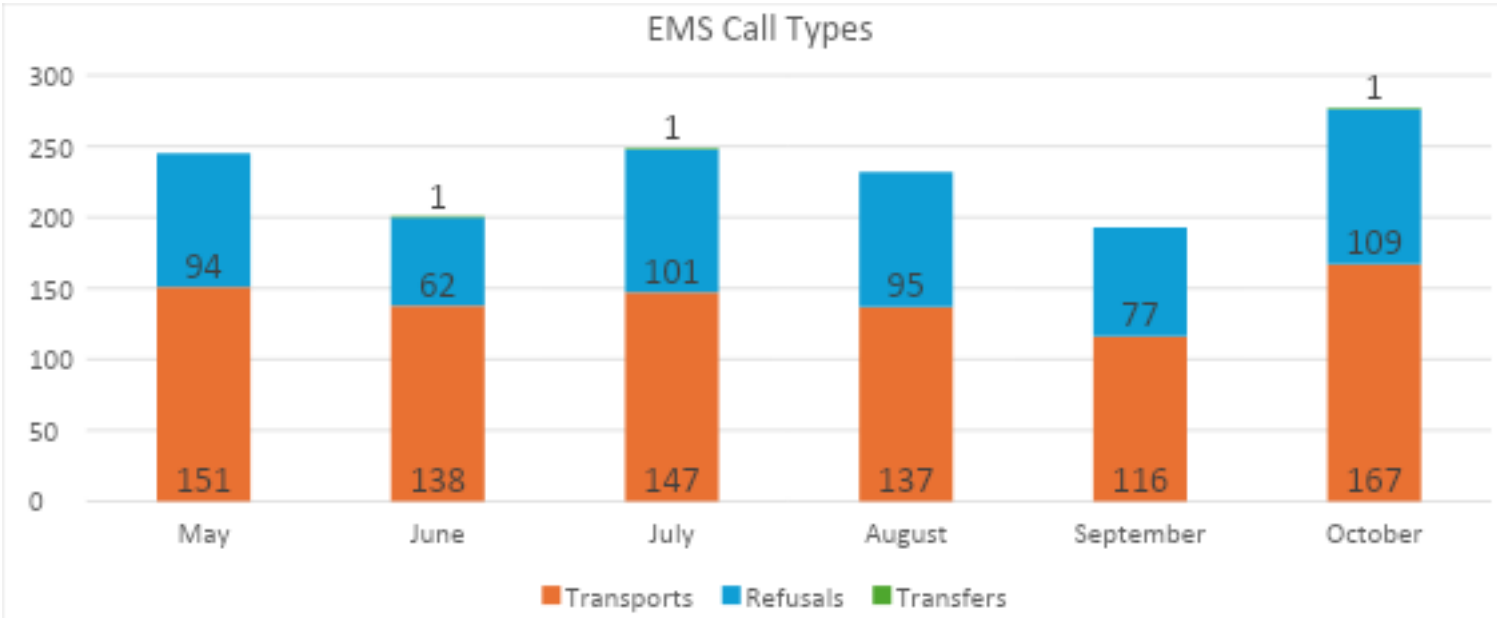

November 2026

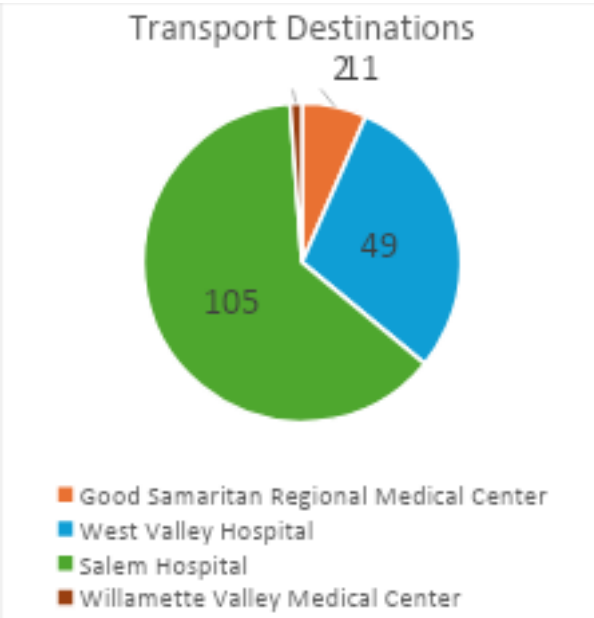

October Highlights

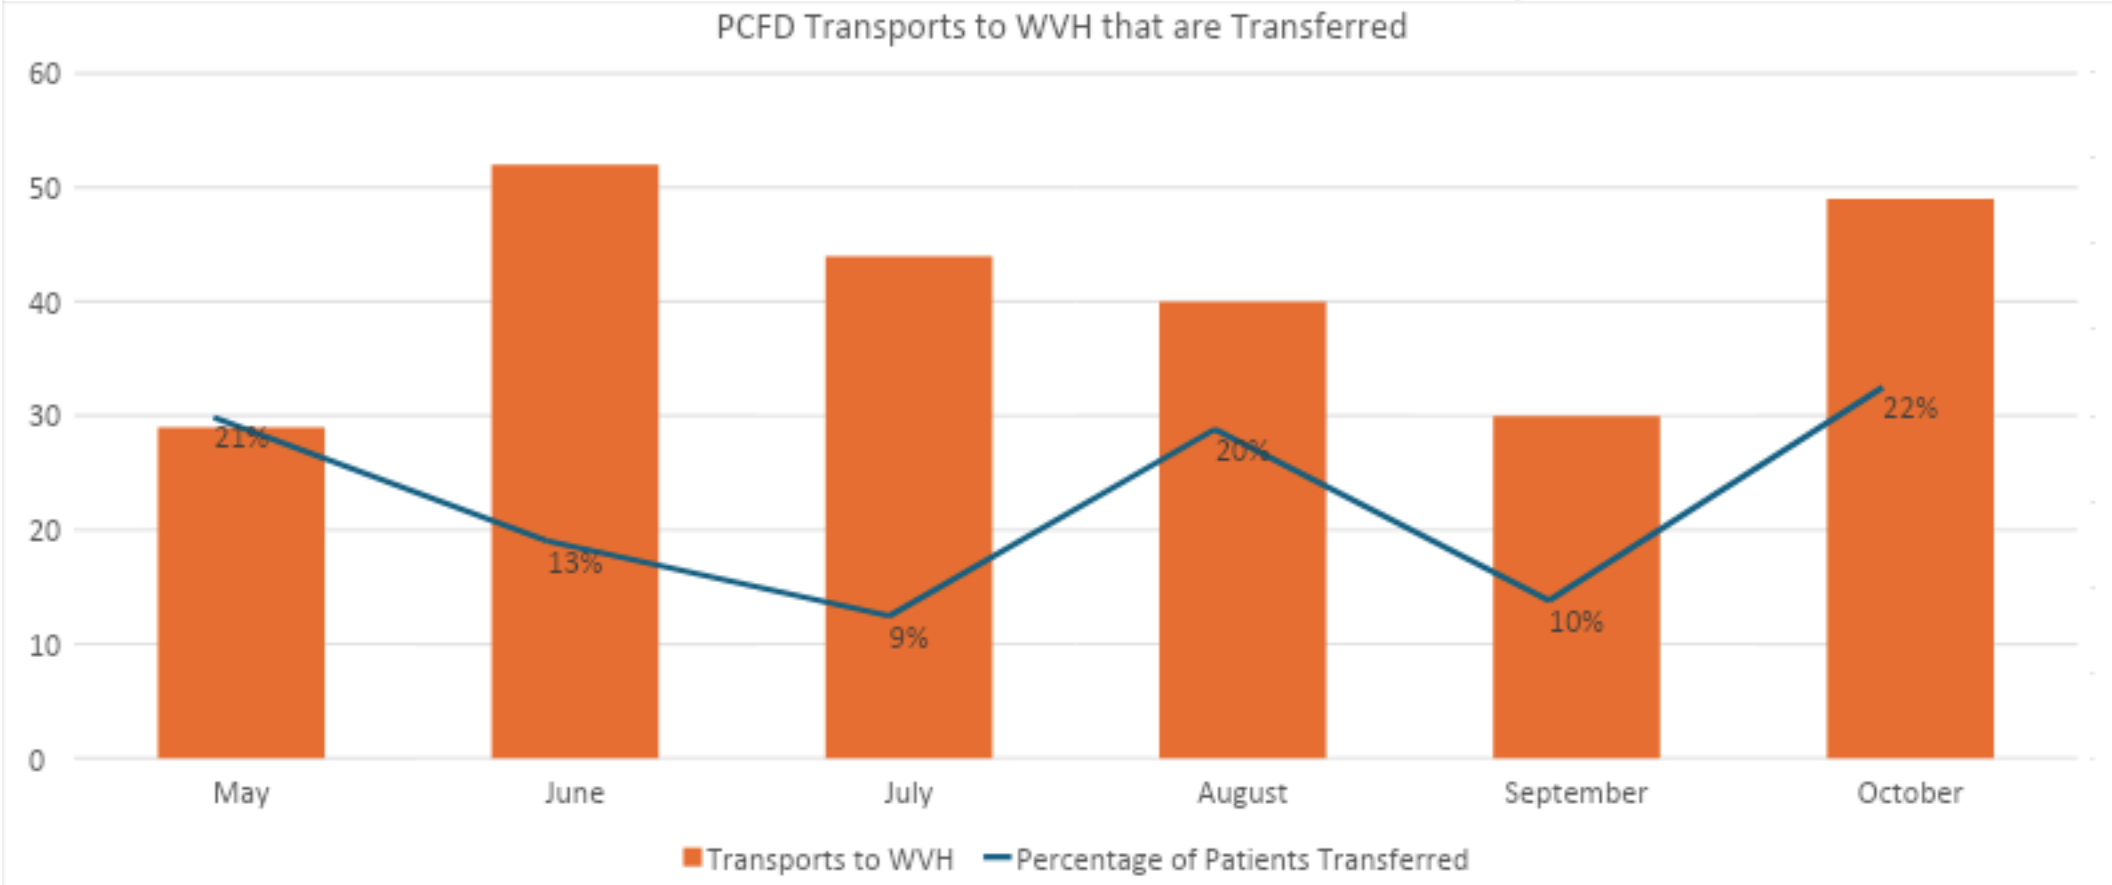

- ODHS – The fire district provided Narcan training to the local office of the Oregon Department of Human Services.
- Heron Pointe – The fire district provided abdominal thrust/back blow training to the local assisted living facility.
- Starduster Flag Pole – The fire district assisted a local citizen who is taking personal responsibility to replace tattered or worn American Flags around the community. He needed help replacing the halyard.
- Cultural Education – Members of the fire district's administrative team attended a half day session with members of the Confederated Tribes of Grand Ronde to learn more about their history and how we can effectively partner with them regarding the community paramedic grant.
- Willamette Health Council Ride Along – The grant manager from WHC rode with PCFD paramedics and firefighters to learn more about our organization and how best to support us.
- Polk County ASA – The fire district continues to meet the requirements established by the County's ASA Committee.
- EMS Drill – Lt Connery presented on winter driving and techniques for preparing apparatus for driving in rain or snow.
- EMS Committee – The EMS Committee has been updating inventory forms for the ambulance, evaluating a protocol application, and has been completing small touches on the new medic during its first few months.

Shops and Apparatus Updates

- E461 – In need of several repairs to operate as a training engine/3rd out.
- M486 – Inverter repaired.
- S467 – Several minor repairs including lights and windshield washer fluid.
- E471 – 2 of 3 batteries replaced.
- E470 – All 3 batteries replaced, annual inspection.
- E473 – Oil change, services, and pressure sensor replaced.
- L456 – Custom made valve to repair the aerial is on order.
